

A sunset over a body of water with industrial structures in the background. The sun is low on the horizon, casting a golden glow across the sky and reflecting on the water. The sky is filled with soft, orange and yellow clouds. In the distance, there are silhouettes of industrial buildings and structures, including what appears to be a large cylindrical tank and several tall chimneys or towers. The water in the foreground is dark, with the golden light of the sunset creating a shimmering path of light that leads towards the horizon.

**Micah 04:13 Arise and thresh, O daughter of Zion: for I will make thine horn iron, and I will make thy hoofs brass: and thou shalt beat in pieces many people: and I will consecrate their gain unto the LORD, and their substance unto the Lord of the whole earth.**
