

A close-up photograph of several pink hydrangea flowers. The petals are a vibrant pink color with visible veins. The center of the flowers shows the stamens and pistils. Green leaves are visible in the lower-left corner, partially overlapping the flowers. The background is softly blurred, showing more of the same flowers.

**Deutronomy 19:02 Thou shalt  
separate three cities for thee in the  
midst of thy land, which the LORD  
thy God giveth thee to possess it.**
