

A close-up photograph of a butterfly on a flower. The butterfly is orange with black markings, and it is perched on a bright pink flower. The background is filled with green leaves and stems, creating a natural, vibrant setting. The text is overlaid on the image in a white, serif font.

2nd Chronicles 09:06 Howbeit I
believed not their words, until I
came, and mine eyes had seen it :
and, behold, the one half of the
greatness of thy wisdom was not
told me: for thou exceededst the
fame that I heard.
