

**Psalm 120:5 Woe is me, that I
sojourn in Mesech, that I dwell in
the tents of Kedar!**

A decorative garden stream flows through a lush green landscape. The water cascades over a variety of smooth, rounded, and angular rocks in shades of brown, tan, and grey. The stream is bordered by vibrant green grass and dense foliage, including trees and shrubs in the background. The scene is bright and sunny, with dappled light filtering through the leaves.
