

A close-up photograph of a leopard's head and shoulders, resting on a patch of green grass. The leopard's fur is a mix of brown and black, with distinct dark spots. Its eyes are partially visible, and its whiskers are prominent. The background is a soft-focus green field.

2nd Chronicles 02:17 And Solomon  
numbered all the strangers that  
were in the land of Israel, after the  
numbering wherewith David his  
father had numbered them; and  
they were found an hundred and  
fifty thousand and three thousand  
and six hundred.
