

Isaiah 22:08 And he discovered the covering of Judah, and thou didst look in that day to the armour of the house of the forest.

A vibrant, high-angle photograph of a forest waterfall. The water is captured in a long-exposure style, creating a soft, ethereal white mist as it falls over dark, moss-covered rocks. In the foreground, a thick, gnarled tree trunk lies horizontally across the lower left, partially covered in green moss and small plants. The surrounding forest is dense with various shades of green foliage, including ferns and broad-leafed plants. Sunlight filters through the canopy, creating dappled light and highlighting the textures of the moss and the spray of the waterfall.
