

1st Samuel 01:12 And it came to
pass, as she continued praying
before the LORD, that Eli marked
her mouth.

A close-up photograph of a garden scene. The foreground is dominated by several large, rounded clusters of pink hydrangea flowers. The flowers have a mix of light pink and magenta petals, with some showing yellowish-green centers. Interspersed among the hydrangeas are numerous green fern fronds, which are finely divided and have a vibrant, healthy appearance. The background is a dense thicket of green foliage, including more hydrangea leaves and ferns, creating a lush, textured backdrop. The lighting is soft and natural, highlighting the delicate textures of the petals and the intricate patterns of the ferns.
