

A scenic view of a small waterfall cascading over large, mossy rocks in a lush garden setting. The water flows from the top right towards the bottom right, creating white foam as it hits the rocks. The rocks are dark and wet, with patches of green moss. In the foreground, there are several large, light-colored rocks and a bed of small, smooth pebbles. Some yellow flowers are visible in the bottom right corner. The background is filled with green foliage and trees under a clear blue sky.
