

A close-up photograph of a rocky stream. The water is clear and flows over and around several large, reddish-brown rocks. The rocks are covered in small patches of green moss and lichen. The water is splashing and creating white foam as it flows over the rocks. The background is a blurred forest scene with green foliage.

2nd Samuel 05:20 And David came to Baalperazim, and David smote them there, and said, The LORD hath broken forth upon mine enemies before me, as the breach of waters. Therefore he called the name of that place Baalperazim.
