

A close-up photograph of a large cluster of pink hydrangea flowers. The petals are a vibrant pink color with some lighter, almost white, variegation on some of the outer petals. The flowers are densely packed together, creating a full, rounded shape. In the background, there are dark green leaves, some of which are slightly out of focus, providing a natural, garden-like setting for the text.

Joshua 04:07 Then ye shall answer  
them, That the waters of Jordan  
were cut off before the ark of the  
covenant of the LORD; when it  
passed over Jordan, the waters of  
Jordan were cut off: and these  
stones shall be for a memorial  
unto the children of Israel for ever.
