

A close-up photograph of a stone fountain. The fountain is made of light-colored, textured stone and has a wide, shallow basin at the top. Water is spraying out from the basin in several places, creating a dynamic scene with splashing water and bubbles. The background is a dark, rippling body of water, possibly a pond or a large pool. The overall lighting is somewhat dim, with highlights on the water droplets and the stone's surface.

**Leviticus 25:44 Both thy bondmen,
and thy bondmaids, which thou
shalt have, shall be of the heathen
that are round about you; of them
shall ye buy bondmen and
bondmaids.**
