

A close-up photograph of two vibrant orange butterflies with dark brown markings on their wings, perched on lush green foliage. The butterflies are positioned on the right side of the frame, with one slightly higher than the other. The background is filled with various shades of green leaves, some showing signs of being eaten, with a soft, natural light illuminating the scene.

Revelation 10:09 And I went unto  
the angel, and said unto him, Give  
me the little book. And he said  
unto me, Take it, and eat it up;  
and it shall make thy belly bitter,  
but it shall be in thy mouth sweet  
as honey.
