

A close-up photograph of a cluster of pink hydrangea flowers. The flowers are in various stages of bloom, with some showing the dense, rounded center of many small florets. The petals are a vibrant pink color. In the background, there are dark green leaves and a few white flowers, possibly lilies, which are out of focus. The overall lighting is soft, highlighting the texture of the petals.

Deutronomy 02:14 And the space
in which we came from
Kadeshbarnea, until we were come
over the brook Zered, was thirty
and eight years; until all the
generation of the men of war were
wasted out from among the host,
as the LORD sware unto them.
