

A photograph of a garden path. The path is made of dark, loose soil and runs diagonally from the bottom left towards the center. To the right of the path is a dense bed of plants, primarily featuring bright orange and yellow flowers, possibly Zinnias. A large, light-brown, textured rock sits in the middle ground, partially behind the flowers. In the foreground, there are some purple flowers and a clump of tall, green, blade-like grass. The background is filled with various green foliage and trees, suggesting a lush garden setting. The text is overlaid in white, serif font, centered across the upper half of the image.

Isaiah 11:16 And there shall be an
highway for the remnant of his
people, which shall be left, from
Assyria; like as it was to Israel in
the day that he came up out of the
land of Egypt.
