

A photograph of a small stream flowing over a rocky bed in a wooded area. The water is clear and flows from the upper right towards the lower left. The banks are lined with various sized rocks and some sparse green grass. Bare tree branches are visible in the background and foreground, suggesting a late autumn or winter setting. The text is overlaid in white, bold, serif font.

the years that the locust hath
eaten, the cankerworm, and the
caterpillar, and the palmerworm,
my great army which I sent among
you.
