

**Mark 02:23 And it came to pass,
that he went through the corn
fields on the sabbath day; and his
disciples began, as they went, to
pluck the ears of corn.**

A close-up photograph of a large, multi-petaled rose. The central part of the flower is a vibrant light pink, transitioning to pure white on the outer petals. The petals are layered and ruffled, creating a full, rounded shape. The background consists of dark green, serrated leaves, some of which have small white spots, possibly from dew or disease. The lighting is soft, highlighting the texture of the petals.
