

A close-up photograph of several pink bleeding heart flowers (Lamproloma) hanging from a brown stem. The flowers have a distinctive shape with two large, rounded, pink petals and a smaller, white, bell-shaped petal at the bottom. The background is filled with more of these flowers and green foliage, creating a soft, natural setting.

John 16:23 And in that day ye shall
ask me nothing. Verily, verily, I say
unto you, Whatsoever ye shall ask
the Father in my name, he will give
it you.
