

A close-up photograph of a brown butterfly with intricate patterns and eye-like spots on its wings, perched on a slice of orange. The butterfly is the central focus, with its wings spread slightly. The background is a vibrant, out-of-focus bowl of fruit, including slices of orange, banana, and watermelon, set against a red surface. The text is overlaid in white, bold, sans-serif font, centered over the butterfly and the fruit.

Ezekiel 36:17 Son of man, when the house of Israel dwelt in their own land, they defiled it by their own way and by their doings: their way was before me as the uncleanness of a removed woman.
