

A close-up photograph of a vibrant red flower, likely a species of ginger, with prominent yellow stamens. The flower is the central focus, with its petals showing a rich, saturated red color. The background is a soft, out-of-focus green, suggesting foliage. The lighting is bright, highlighting the texture of the petals and the contrast between the red and yellow.

**Zechariah 11:02 Howl, fir tree; for  
the cedar is fallen; because the  
mighty are spoiled: howl, O ye  
oaks of Bashan; for the forest of  
the vintage is come down.**
