

A large tortoise, likely a Galapagos tortoise, is shown resting on the ground. The tortoise is facing towards the right of the frame. Its shell is a dark brown color with distinct scutes. The ground is a mix of dirt and sparse green grass. In the bottom left corner, there is a large, light-colored rock. The text is overlaid in white, bold, sans-serif font, centered over the tortoise's body.

**Jeremiah 51:16 When he uttereth his voice, there is a multitude of waters in the heavens; and he causeth the vapours to ascend from the ends of the earth: he maketh lightnings with rain, and bringeth forth the wind out of his treasures.**
