

A close-up photograph of a hand holding a string of prayer beads against a purple background. The hand is positioned in the lower right, with fingers gently gripping the beads. The beads are small, round, and appear to be made of a light-colored material, possibly wood or stone. The background is a deep, textured purple, with some lighter, shimmering spots that suggest a soft, ethereal light. The overall mood is contemplative and spiritual.

**Jeremiah 17:18 Let them be
confounded that persecute me,
but let not me be confounded: let
them be dismayed, but let not me
be dismayed: bring upon them the
day of evil, and destroy them with
double destruction.**
