

A close-up photograph of a large tortoise, likely a Galapagos tortoise, resting on a weathered log. The tortoise's head is in the foreground, facing left, with its dark, wrinkled skin and small eye visible. Its shell is a mix of dark brown and greyish-brown scutes. The background is a soft-focus natural setting with green grass and brown earth. The text is overlaid in white, bold, serif font.

**Psalm 58:03 The wicked are
estranged from the womb: they go
astray as soon as they be born,
speaking lies.**
