

A close-up photograph of water splashing onto a dark, reflective surface. The water droplets are in various stages of impact, creating ripples and bubbles. In the bottom left corner, there are some green leaves, possibly from a plant like a peace lily. The overall scene is dynamic and captures the moment of water hitting the surface.

**Psalm 72:16** There shall be an  
handful of corn in the earth upon  
the top of the mountains; the fruit  
thereof shall shake like Lebanon:  
and they of the city shall flourish  
like grass of the earth.
