

A large, layered rock formation, possibly a boulder or a small waterfall, is the central focus of the image. The rock is light-colored with distinct horizontal layers. It is situated in a stream, and the water is clear, reflecting the surrounding greenery and the rock itself. The background is a dense forest of tall, thin trees, likely pines or cypresses, with sunlight filtering through the canopy, creating a dappled light effect. The overall scene is peaceful and natural.

put to silence; which speak
grievous things proudly and
contemptuously against the
righteous.**
