

A close-up photograph of several pink bleeding heart flowers (Lamproloma album) hanging from a branch. The flowers have a distinctive shape, with a large, rounded, pink, heart-shaped upper petal and a smaller, white, pointed lower petal. The background is filled with more of these flowers and green foliage, creating a soft, natural setting.

Jeremiah 49:23 Concerning
Damascus. Hamath is confounded,
and Arpad: for they have heard evil
tidings: they are fainthearted;
there is sorrow on the sea; it
cannot be quiet.
