

A vibrant, long-exposure photograph of a waterfall cascading over moss-covered rocks in a dense forest. The water is blurred, creating a sense of motion. A large, weathered log lies in the foreground, partially covered in moss. The scene is rich with green moss and foliage, set against a backdrop of dark trees.

2nd Peter 03:12 Looking for and
hasting unto the coming of the day
of God, wherein the heavens being
on fire shall be dissolved, and the
elements shall melt with fervent
heat?
