

**Psalm 147:08 Who covereth the
heaven with clouds, who
prepareth rain for the earth, who
maketh grass to grow upon the
mountains.**

A close-up photograph of a garden bed. The foreground and middle ground are filled with smooth, rounded grey stones of various sizes. Several butterflies are perched on the stones: one orange butterfly on the left, another orange butterfly on a stone in the center, a white butterfly on a stone to the right, and a black butterfly with orange markings on a stone in the lower center. Green plants with small leaves and tiny pink flowers are scattered around the stones. The background is dark and out of focus, suggesting a shaded garden area.
