

A close-up photograph of a green praying mantis perched on a leaf. The mantis is the central focus, with its long, segmented body and raptorial front legs clearly visible. The background is a soft-focus green, suggesting a natural outdoor setting. Overlaid on the image is white text in a bold, sans-serif font, which is the subject of the OCR task.

**1st John 05:16 If any man see his brother sin a sin which is not unto death, he shall ask, and he shall give him life for them that sin not unto death. There is a sin unto death: I do not say that he shall pray for it.**
