

A close-up photograph of several overlapping pink flower petals, likely from a geranium or similar plant. The petals are in sharp focus, showing their delicate texture and vibrant pink color. The background is a solid, bright green, which makes the pink petals stand out prominently. The lighting is soft, highlighting the natural curves and veins of the petals.

**Psalm 130:05 I wait for the LORD,
my soul doth wait, and in his word
do I hope.**
