

**Genesis 14:06 And the Horites in
their mount Seir, unto Elparan,
which is by the wilderness.**

A close-up photograph of a rocky streambed. The foreground is dominated by large, dark, textured rocks in shades of brown, grey, and black. Water is flowing over these rocks, creating a series of small, shimmering cascades. The background is dark and out of focus, suggesting a dense forest or a shaded gully. The overall lighting is soft and natural, highlighting the textures of the rocks and the movement of the water.
