

A close-up photograph of several green leaves, likely from a plant like a grapevine, covered in small, clear water droplets. The leaves show signs of insect damage, with several irregular holes and tears. The background is softly blurred, showing more foliage and a hint of a bright light source, possibly the sun, creating a bokeh effect.

**Psalm 13:2 How long shall I take
counsel in my soul, having sorrow
in my heart daily? how long shall
mine enemy be exalted over me?**
