

**Revelation 05:03 And no man in
heaven, nor in earth, neither
under the earth, was able to open
the book, neither to look thereon.**

A close-up photograph of a passionflower (Passiflora) in bloom. The flower features a prominent, vibrant purple corona with numerous fine, radiating filaments. The base of the flower is a pale, almost white, tubular structure. The background consists of dark green, serrated leaves, which are slightly out of focus, creating a sense of depth. The lighting is soft, highlighting the intricate details of the flower's structure.
