

A close-up photograph of a bouquet of pink hydrangea flowers and green ferns. The hydrangeas are in various stages of bloom, with some showing vibrant pink petals and others as clusters of small, unopened buds. The ferns are lush and green, providing a contrasting background for the flowers. The overall lighting is soft, highlighting the textures of the petals and the fronds of the ferns.

of the month at even, from even
unto even, shall ye celebrate your
sabbath.
