

A decorative garden scene featuring a small waterfall cascading over dark, wet rocks. In the foreground, a white ceramic rabbit figurine sits on a patch of green grass next to a small wooden birdhouse. Pink flowers are scattered in the lower-left corner. The background is filled with more rocks and greenery, creating a lush, naturalistic setting.

**Psalm 48:02 Beautiful for
situation, the joy of the whole
earth, is mount Zion, on the sides
of the north, the city of the great
King.**
