

A close-up photograph of numerous pink flower petals, likely from a hydrangea, filling the entire frame. The petals are in various stages of bloom, with some showing distinct veins and others appearing more layered. The lighting is soft, creating a gentle gradient of pink tones from light to a deeper magenta.

Deutronomy 03:03 So the LORD
our God delivered into our hands
Og also, the king of Bashan, and
all his people: and we smote him
until none was left to him
remaining.
