

A scenic waterfall cascading over rocks in a lush green forest. The water flows from the top right, down a series of dark, mossy rocks, and then over a larger, lighter-colored rock on the left. The surrounding area is filled with vibrant green foliage, including ferns and small yellow flowers. The overall atmosphere is peaceful and natural.

her pestilence, and blood into her
streets; and the wounded shall be
judged in the midst of her by the
sword upon her on every side; and
they shall know that I am the
LORD.**
