

A close-up photograph of a pink hydrangea flower. The large, rounded petals are a vibrant pink color. In the center of the flower is a dense cluster of small, unopened buds, which are a lighter, purplish-pink color. The background is dark and out of focus, showing more green leaves and parts of other flowers.

Leviticus 21:21 No man that hath a
blemish of the seed of Aaron the
priest shall come nigh to offer the
offerings of the LORD made by fire:
he hath a blemish; he shall not
come nigh to offer the bread of his
God.
