

Psalms 48:13 Mark ye well her
bulwarks, consider her palaces;
that ye may tell it to the generation
following.

A close-up photograph of several white flowers with yellow centers, likely from a Jasmine plant. The flowers are in various stages of bloom, with some fully open and others as tight buds. The petals are delicate and slightly curved. In the center of each flower is a cluster of small, yellow stamens. The background is a dark, out-of-focus green, which makes the white flowers stand out. The lighting is soft, highlighting the texture of the petals and the stamens.
