

A close-up photograph of a yellow and black striped wasp on a purple flower. The wasp is positioned in the center-right of the frame, facing right. Its body is covered in fine hairs, and its wings are partially spread. The flower is a vibrant purple color with several petals visible. The background is a soft, out-of-focus green, suggesting a natural outdoor setting. The text is overlaid on the image in a white, serif font, centered horizontally and vertically.
