

Revelation 05:03 And no man in
heaven, nor in earth, neither
under the earth, was able to open
the book, neither to look thereon.

A close-up photograph of a passionflower (Passiflora) in bloom. The flower features a central corona of numerous long, thin, purple filaments radiating from a white base. The petals are a pale, almost white color. The flower is surrounded by large, dark green, serrated leaves. The background is dark, making the flower stand out prominently.
