

A close-up photograph of several large, rounded clusters of pink hydrangea flowers. The flowers are in various stages of bloom, with some showing lighter, almost white centers. The leaves are a vibrant green, some showing signs of aging or damage. The background is a white lattice fence, slightly out of focus.

Numbers 03:43 And all the firstborn males by the number of names, from a month old and upward, of those that were numbered of them, were twenty and two thousand two hundred and threescore and thirteen.
