

A close-up photograph of a field of onions. The onions are in various stages of growth, with some showing their characteristic yellowish-brown papery skins and others still in their green, leafy stages. The plants are growing in dark, rich soil. The lighting is bright, creating strong shadows and highlights on the leaves and bulbs.

Psalm 35:13 But as for me, when they were sick, my clothing was sackcloth: I humbled my soul with fasting; and my prayer returned into mine own bosom.
