

A photograph of a white and red flower, possibly a species of Salpiglossis, with a fern leaf in the foreground. The flower has a white, trumpet-shaped corolla and a dark red, ruffled, and fringed lobed calyx. The background is dark green, and the foreground shows a bright green fern frond.

James 05:20 Let him know, that he
which converteth the sinner from
the error of his way shall save a
soul from death, and shall hide a
multitude of sins.
