

Now the upper chambers [were] shorter: for the galleries were higher than these, than the lower, and than the middlemost of the building.

Now the upper chambers [were] shorter: for the galleries were higher than these, than the lower, and than the middlemost of the building.

Now the upper chambers [were] shorter: for the galleries were higher than these, than the lower, and than the middlemost of the building.

Now the upper chambers [were] shorter: for the galleries were higher than these, than the lower, and than the middlemost of the building.

Now the upper chambers [were] shorter: for the galleries were higher than these, than the lower, and than the middlemost of the building.

Now the upper chambers [were] shorter: for the galleries were higher than these, than the lower, and than the middlemost of the building.

26_EZE_42:05 Now the upper chambers [were] shorter: for the galleries were higher than these, than the lower, and than the middlemost of the building.

For they [were] in three [stories], but had not pillars as the pillars of the courts: therefore [the building] was straitened more than the lowest and the middlemost from the ground.

For they [were] in three [stories], but had not pillars as the pillars of the courts: therefore [the building] was straitened more than the lowest and the middlemost from the ground.

For they [were] in three [stories], but had not pillars as the pillars of the courts: therefore [the building] was straitened more than the lowest and the middlemost from the ground.

For they [were] in three [stories], but had not pillars as the pillars of the courts: therefore [the building] was straitened more than the lowest and the middlemost from the ground.

For they [were] in three [stories], but had not pillars as the pillars of the courts: therefore [the building] was straitened more than the lowest and the middlemost from the ground.

For they [were] in three [stories], but had not pillars as the pillars of the courts: therefore [the building] was straitened more than the lowest and the middlemost from the ground.

26_EZE_42:06 For they [were] in three [stories], but had not pillars as the pillars of the courts: therefore [the building] was straitened more than the lowest and the middlemost from the ground.
