

A close-up photograph of a bouquet of flowers. The central focus is a large, vibrant red rose with many layers of petals. Surrounding it are clusters of small purple flowers, likely hydrangeas, and several bright pink gerbera daisies. The background is dark and out of focus, making the colors of the flowers stand out. The text is overlaid on the image in a white, serif font.

**Genesis 28:11 And he lighted upon
a certain place, and tarried there
all night, because the sun was set;
and he took of the stones of that
place, and put them for his pillows,
and lay down in that place to sleep.**
