

A close-up photograph of a woven basket filled with a variety of flowers. The basket is made of light-colored, possibly straw or bamboo, and is filled with green foliage and several bright pink and orange flowers. The background is dark and out of focus, making the flowers stand out. The text is overlaid on the image in a white, serif font.

**Exodus 10:15 For they covered the face of the whole earth, so that the land was darkened; and they did eat every herb of the land, and all the fruit of the trees which the hail had left: and there remained not any green thing in the trees, or in the herbs of the field, through all the land of Egypt.**
