

A close-up photograph of a bouquet of ranunculus flowers. The flowers are in various stages of bloom, showing a variety of colors including bright yellow, vibrant orange, soft pink, and deep purple. The petals are densely packed and have a ruffled, layered appearance. Some flowers are fully open, while others are still in bud form. The background is a soft, out-of-focus grey, which makes the colors of the flowers stand out prominently.

Exodus 11:06 And there shall be a great cry throughout all the land of Egypt, such as there was none like it, nor shall be like it any more.
