

A close-up photograph of a cluster of pink hydrangea flowers. The central flower is in sharp focus, showing its many small, rounded petals and a dense center of tiny buds. Other pink flowers are visible in the foreground and background, some slightly out of focus. In the upper right corner, a white flower is partially visible. The background is a dark, blurred red color.

**Deutronomy 02:14 And the space  
in which we came from  
Kadeshbarnea, until we were come  
over the brook Zered, was thirty  
and eight years; until all the  
generation of the men of war were  
wasted out from among the host,  
as the LORD sware unto them.**
