

Psalm 104:27 These wait all upon thee; that thou mayest give them their meat in due season.

A close-up photograph of a tulip garden. The foreground is filled with several tulip plants. Two large, vibrant red tulips are in full bloom, their petals layered and bright. To their right, a single yellow tulip is also in bloom. In the center and foreground, several tulip buds are visible, some green and some showing a hint of yellow. The tulips have long, green, lance-shaped leaves. The ground is dark brown soil, and the background shows more tulip plants, some with green leaves and some with yellow flowers. The lighting is bright, suggesting a sunny day.
