

A close-up photograph of a vibrant red lily flower. The petals are a deep, rich red color and are covered with numerous small, dark, black spots, a characteristic feature of certain lily species. The flower is in full bloom, with several petals visible, some overlapping. The background is dark and out of focus, making the flower stand out prominently. The text is overlaid on the upper portion of the flower.

Lamentations 03:14 I was a
derision to all my people; and
their song all the day.
